Happy New Year to all!

Confirmation

A reminder that Confirmation classes are about to begin. These are open to any boy in Years 7 or 8 and also any chorister or quirister in Year 6. If you have not completed your form, please could you return it to the office as soon as possible. Classes will start on Monday 25th January at 7.30 p.m. Thank you.

Where is My Son?

This is a question which may well be asked by a day parent who has been unavoidably delayed and has missed the collection time. The answer, fortunately, is simple.

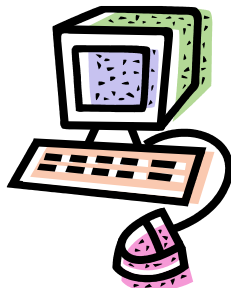

At 1700, any uncollected boys are supervised in the library; here they can get on with their prep. whilst awaiting collection.

At 1815, any still uncollected boys join the boarders for tea in the dining room.

Please never ask your son to wait for you at an alternative venue. This can make life unhelpfully difficult for the signing-out staff.

ICT Forms

Thank you for all the returns for the ICT Code of Conduct so far. Please may I remind those who have not returned the form to do so at the next convenient opportunity. Many thanks.

Under 9 Rugby

The U9 matches against Westbourne House on Wednesday 20 January are **both at home**, but unfortunately the U9 practice tomorrow has had to be cancelled.

Missing Coat

Already we have a missing coat—could everyone please check that they do not inadvertently have Sam Phelps' school coat. Many thanks!

An Idea for Sunday Afternoon

If you are in Winchester between 1400 and 1530 on Sunday and at a loose end, stroll along to the Winchester College Fives Courts in Kingsgate Street and enjoy the spectacle of effort and ability and massive enthusiasm as Pilgrims' Fives Club takes on Blundell's School from Devon. You will be impressed and welcome.
