

29 April 2022

Dear Parents,

It has been a pleasure to start to get to know your sons properly over the course of this short week. I am hugely excited for the term ahead.

With our topic of oceans, the term will provide ample opportunity for excitement, from our trip before half-term to a local aquarium through to our production of *Ocean Commotion* towards the end of term.

I will be outside the Pre-Prep in the mornings and afternoons so please do come and say hello.

Should you wish to discuss anything further or in more depth, we can always arrange a time before or after school at our convenience.

All best wishes,

Victoria Ford
Year 2 Teacher
