

The Pilgrims' School Time Capsule Project 2022: Let's bury Covid!

We welcome all boys to enter an item for the time capsule. The committee will consider all ideas carefully and make the final selection before asking for the items or photographs of the items.

Deadlines for entry is the end of Lent Term please.

NAME:

YEAR:

1. What is your chosen item for the time capsule?

Think about how the Covid pandemic affected your life and what you would like the future to remember about your experience.

E.g., a picture, photograph, story, memory, something you made, somewhere you visited, a person (but I cannot fit them in the time capsule so maybe a drawing or photograph of them!).

2. Why did you select this item? Please explain the reasons for your selection carefully below. Your reasons will be added to our time capsule if the item is selected. Use both sides of this paper if you need to.
